The screenshot shows a software window titled "Quick Referral". At the top, there are tabs for "View Letter" and "Address Book", and a "Cancel" button. The main area is divided into two sections. The left section contains a "Referral to" section with a "Speciality" dropdown menu, "Surname" and "Given" text boxes, a large greyed-out area, "Copy to" and "Reason" text boxes, and two checked checkboxes: "Preview Template" and "Add Letterhead". The right section is titled "Template" and features a large empty text area with a vertical scrollbar on the right and a horizontal scrollbar at the bottom. A red arrow points to the small downward-pointing arrow on the right side of the "Template" dropdown menu.

The screenshot shows a software window titled "Quick Referral". At the top, there are tabs for "View Letter" and "Address Book", and a "Cancel" button. The main area is divided into two panes. The left pane is for "Referral to" and contains a "Speciality" dropdown menu, "Surname" and "Given" text boxes, a large greyed-out area, "Copy to" and "Reason" text boxes, and checkboxes for "Preview Template" and "Add Letterhead". The right pane is for "Template" and contains a list of options: "Centrelink Medical Certificate", "Current Medication List", "D904 - Veteran's Affairs", "DMMR - Plan", "DMMR - Referral", "EPC Allied Health Referral", "EPC Dental Referral", and "General Nursing Letter". The "EPC Allied Health Referral" option is highlighted in blue. A red arrow points from the text "Click on DMMR Referral" to the "DMMR - Referral" option in the list.

'Click' down arrow on template

The screenshot shows a software window titled "Quick Referral". At the top, there are two tabs: "View Letter" (selected) and "Address Book". To the right of the tabs is a "Cancel" button with a red 'X' icon and a double-right arrow icon. Below the tabs, the window is divided into two main sections. The left section contains a "Referral to" label, followed by a "Speciality" dropdown menu, and two text input fields for "Surname" and "Given". Below these is a large grey rectangular area. Further down are two more text input fields labeled "Copy to" and "Reason". At the bottom of this section are two checked checkboxes: "Preview Template" and "Add Letterhead". The right section is labeled "Template" and contains a large empty text area with a vertical scrollbar on the right and a horizontal scrollbar at the bottom. A red arrow points from the text above to the small downward-pointing arrow on the right side of the "Template" dropdown menu.

The screenshot displays the MONET Medical Record software interface for a patient named Mrs. TEST. The window title is "MONET Medical Record Test, Patient (64767) - [Patient Review]". The menu bar includes File, Edit, History, Examination, Assessment, Plan, Explorer, Resources, EPC, Tools, Reporting, and Help. The toolbar contains various icons for document management and navigation. The patient information section shows: TEST, Patient Mrs; Address: 9 James Street, Beenleigh 4127; H: 32872096; Alias: Female; Sex: Female; DOB: 02 Aug 1956 (48yrs 11mt); Occ: nurse; File: TESPAT001. There are also icons for BILLING, FAMILY Hx, SOCIAL Hx, REMINDER, RECALL, ALLERGY, and PREG. The main window is divided into several panes. On the left is a navigation pane with icons for Document Explorer, Scanned Doc Explorer, Quick Certificate, Quick Referral (highlighted with a red arrow), Template Explorer, New General Letter, and New Certificate. The central pane shows a list of "Patient Consultations" with dates and provider names. The right pane shows the "Past Medical Record" for Tuesday 19 Jul 05, provided by Alan Cameron (0461999A), with a start time of 12:44 PM and type of Consultation. Below this are sections for "Current Problems" (Tonsil and adenoid hypertrophy, Major Diabetes mellitus unspecified, Major Chronic fatigue syndrome, Major Malignant melanoma of skin) and "Current Medications" (Fosamax Once Weekly Tablets 70 mg Tablets 7 daily, Amohexal Capsules 250 mg Capsules 1 8 hrly, Botox 100 U (solv. needed) Injection, Machlor Tablets, Macrodantin 50 mg Capsules, Haleraid Inhalational Device Inhalation Device, Augmentin Duo 400 Suspension 60 mL Suspension 1 b.d., Panadeine Forte Tablets, S-26 15 g sachets Powder). A note at the bottom states "This patient was imported from Medical Director".
